

## Golden Farm EARNING TRICK

I present you golden farm biz.

I would like to explain it to the people who just saying > Golden Farm is a scam or something before you say that! Try to play and do some research and you will know that there are lot of reviews of site that proves the golden farm is 100% not a scam!!! Legit/trustworthy site! I'm earned almost 15\$ a DAY

Imagine that!! I only replenish 1\$ to unlock my account! Then I am relying of my birds and referrals and now, I will keep on buying birds after I withdraw!

Withdraw = replenish again to buy birds now I have many birds who works for me!

OK now!! I will explain this on how it works.

First you need to sign up!

Sign up here >>> <https://goto.ga/farm>

NOTE: YOU HAVE 24 hr. Bonus and get Huge discount on Birds and buy birds with this Signup Bonus

I will help you to earn Money Easily.

OK,

your account already has 250 silver coins for buying birds!

each bird is different, and you have a daily BONUS

Each bird can lay eggs per hour = silver coins!

Collect and selling your eggs = silver coins!

1. 70% for buying birds and 30% for withdrawal

2. Do not forget your DAILY BONUS

1. Do not worry about how you withdraw, because there is a lot of wallet site and, they accept visa/master card international for your withdrawal!

2. But each of them is different, cause for example like payeer, their minimum payout is 100! I know it because I use payeer for my withdrawals and after you withdraw within 5 or 6min your account name will be appearing on the payment section and also, your wallet etc. will also receive the money!!

7. Do not worry about the replenish if you want to, cause replenish is so cheap and there is a stage that you're replenish can be 2x or 3x if you reach it! Try to read it on replenish section. you can see it there.

1. also you need to try to earn some extra other than eggs! By having a referral, you get 250 silver coins and gold from them from your referrals to their referrals too! it is also what we call an affiliate mode. count by the person invited by you.

The income is unlimited. Even several invited people can bring you more than 100 000 silver coins.

Gold is credited for:

1. your own account, replenishment you are credited with the gold of 40% of the replenish sum.

1. 10% of every replenishment of the account by a referral of the 2d level

2. 5% of every replenishment of the account by a referral of the 3d level

3. 5% of every replenishment of the account by a referral of the 4th level

Imagine if you have a lot of birds who works for you, just like me. I have 1490 green birds! 20 yellow, 11 brown! 2 red and 1 king bird.

It is so good, and my last and only that I wanted to buy is the rare birds

I cannot imagine if I have it! cause that rare bird can make money director to your wallet and don't even need 30% for withdrawal!! it's a 100% withdrawal in full!

The screenshot shows a game interface with a sidebar on the left and a main content area on the right. The sidebar has three sections: 'Account Management' with options like 'My profile', 'Account settings', and 'Exit account'; 'My farm' with options like 'Buy birds', 'Eggs storehouse', 'Eggs selling', 'Daily bonus', and 'Swap silver'; and 'Other' with options like 'Calculate profit', 'My referrals', 'Promo materials', and 'Support department'. The main content area features a '100%' badge, a balance of 114932.57, and a withdrawal amount of 111922.62. Below this is a table for selling eggs, with columns for 'You already have at the storehouse' and 'To the sum of (silver coins)'. The table lists six egg types with their respective counts and silver coin values. A 'SELL ALL' button is at the bottom of the table. A note at the bottom of the main area says 'You will be able to buy much more birds if you replenish the account.'
